# Virtual Introductory Summer Course in Ophthalmology (VISCO)

**Guide to claiming CME credits**  
**Summer 2022**

## Claiming CME Credits:

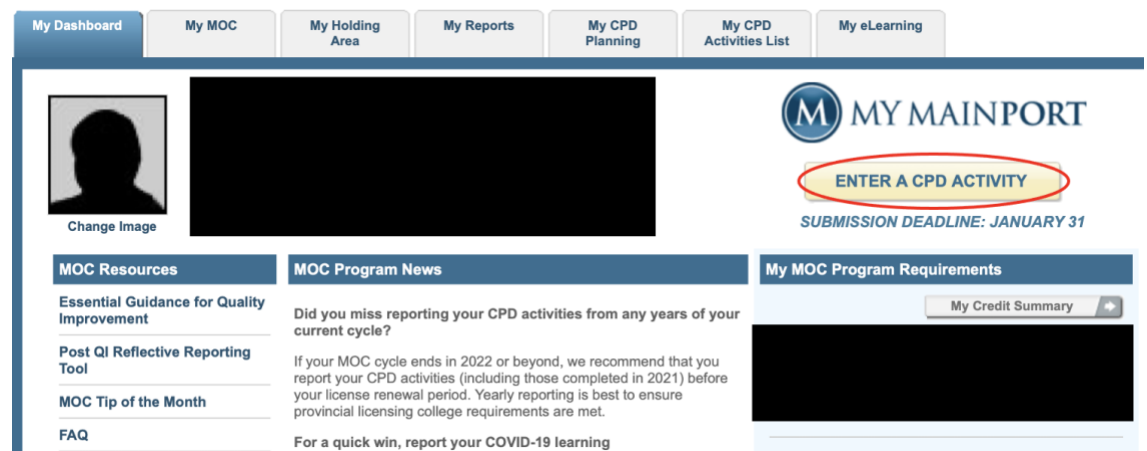

By participating in these workshops, participants can claim Section 2 credits in the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada. Each video reviewed can be claimed for 0.5 credits per hour.

To claim credits in the MOC Program, the MAINPORT ePortfolio system is used, in which a detail guide is provided at:

<https://www.royalcollege.ca/rcsite/cpd/moc-program/mainport-eportfolio-quick-start-guide-e>.

In general, the steps to claim credits are:

- 1) Log in to your [MAINPORT ePortfolio](#) account which will require your Royal College ID and Password
- 2) After Logging in click on "Enter a CPD Activity" button:

- 3) Choose Self-Learning Activities, and select video:

This page records Self-Learning Activities, and it will occasionally update. To save information on this page you must submit or send an activity to the Holding Area.

Section 2 - Self-Learning Activities: \* Video

Name of the Organization(s) (if this isn't applicable to your activity, please enter "N/A") \* COSIG VISCO

Location of the Activity (select your location where you physically completed the activity, even if online) \*   
 Canada   
 U.S.   
 International

Describe the question, focus or title for this activity. \* Hour 1

What date did you complete this activity? (MM/DD/YYYY) \* 6/19/2022

Credits for this activity. 0.5

a.

- 5) Respond to at least one of the three Reflection questions. You can be as descriptive as you'd like on how the VISCO workshop reviewed was useful to your learning & practice. For example, you may have learned how to approach the patient presenting with a red,

painful eye; and now are further looking into when you would consult Ophthalmology as additional learning. Once the reflection questions are answered, you may click Continue:

Location of the Activity (select your location where you physically completed the activity, even if online) \*  Canada  U.S.  International

Describe the question, focus or title for this activity. \*

What date did you complete this activity? (MM/DD/YYYY) \*

Credits for this activity. 0.5

The following questions were created to guide reflection on what you learned or the anticipated outcome(s) or impact of this activity for your practice. Please respond to at least one of the following questions. \*

What did you learn or confirm?

What additional learning are you planning to complete?

What changes are you planning to implement in your practice?

Documentation added here is for your personal use only and not for credit validation purposes. If validation documentation is required you will be prompted on the credit validation screen.

7) Await credit validation in the My CPD Activities List:

The image shows a screenshot of a web application titled "My CPD Activities List". At the top left is a yellow icon with a caduceus. To its right is the title "My CPD Activities List" in blue. Further right is a yellow button labeled "ENTER A CPD ACTIVITY". Below this is a table with the following columns: Activity, Credits Reported, Last Updated, Activity Date, Action, and Delete. The table contains two rows of activity data. Below the table is a "Print Report" button and a "Need Help?" link.

Activity	Credits Reported	Last Updated	Activity Date	Action	Delete
<b>Approach to the patient with an eye complaint - Hour 2</b> <small>Updated 3 seconds ago</small>	0.5	6/21/2022	6/19/2022	Submitted	X
<b>Approach to the patient with an eye complain - Hour 1</b> <small>Updated 1 minute ago</small>	0.5	6/21/2022	6/19/2022	Submitted	X
